

Our Accommodations:

Our spacious modern light housekeeping cabins all face the water, are electrically heated and are equipped with propane/electric stoves for cooking. All cabins have private bath facilities. You bring only your food, as dishes, cutlery, cooking utensils, dish and personal towels, blankets and bed linens are all supplied. Cabins are all equipped with microwave ovens, TV's, and gas barbecue. Each one has their very own large deck.

Services:

Modern stainless steel fish cleaning facilities * custom fish cleaning * fish freezing * packing fish for shipment * docking facilities for all size boats * outdoor recreation games, cards, horseshoes, campfires, nature trails * peddle boats * children's playground * beach for children * gas for automobiles and boats * fishing and hunting licences * bait, tackle, ice and confections * 9 hole golf course near camp.

Private, peaceful, a vacation paradise!

Campsites:

Fully serviced, clean campsites are in a peaceful oak grove and are located to offer privacy. Each site is complete with its own fireplace and wood, together with a picnic table. We have central shower facilities for our campers. Our spacious recreation area has a fully equipped playground for the children. New onsite large picnic pavilion is equipped with Barbecues, water and electricity.

Boats and Motors:

Our 16-18' boats are clean and all equipped with lifejackets. Our motors are kept in good condition. Guests can bring their own boats. Our launching ramp is available and there is ample docking space at a nominal fee.
